TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

The oath dated 07/28/2003 indicates all correspondence should be directed to Jonathan E. Olson, Jonathan E Olson and Associates with associated address. There is a further change of address correspondence dated 04/15/2005 changing the address to Pentagonum LLC. A change of address correspondence is not sufficient to change the power of attorney. A revocation of power of attorney must be filed before any correspondence from Pentagonum LLC and or applicant can be considered. At this time the Office cannot discuss the merits of the case with applicant.

Further the response to restriction filed on 11/29/2006 is non-responsive as an election with traverse has been made, but no arguments are reasons for traversal have been made (MPEP 818).
